Reminder that the approval can not be extended beyond the 2-16-10. A new approval would then be required.

Correct. My copy of the resolution indicates that it expires on February 16, 2010.

The project as reapproved on 2/3/09. Normally the approval resolution includes the two 90-day extensions. If so included, no further action is needed at this time.

By copy of this email to Dom, I am requesting he confirm the content of the reso.
