Re: Request for lead agency status, Legacy Woods

Dear Mr. Edsall:

Our office is in receipt of a lead agency coordination request. We have no objections to the Town becoming Lead Agency on this project and we would also like the opportunity to review any additional SEQR information that is provided by the applicant of this project.

We look forward to reviewing the application when it is referred to us for our comments. The planner from our office that will be reviewing this project is Todd Cohen; questions, comments, or additional information should be directed to him.

Sincerely,

David E. Church, AICP
Planning Commissioner
