Dear Town of New Windsor Planning Board,

We would like to express our support of any of the three *Alternatives To The Proposed Action* as listed on page eight (8) of the Draft DSEIS Scoping Document supplied by RPA Associates, LLC on July 23, 2004.

We recently purchased our home on this "dead end" street with aspirations of raising our two young children in a quiet environment with no thru traffic. We moved from 5 Willow Lane, New Windsor, which is a very busy road requiring special attention to protect our children from traffic. We would, therefore, very much like to keep Park Hill Drive a "dead end" street to minimize traffic passing our home.

Sincerely,

John Koptula

Anna Koptula
