SALUTE TO FLAG

Supervisor Meyers called to order a Public Hearing regarding the Proposed Establishment of Extension #1 to Sewer District #16.

The Town Clerk presented proof of publication as required by law.

Supervisor Meyers opened the Public Hearing by asking any of the board members if they had any comments they would like to make on the extension to Sewer District #16. He then asked if anyone in the public had any comments.

Don Doering of Mt. Airy Road spoke of his concern about drainage in the Briarwood Subdivision because of the unmapped wetlands and the environmental assessment form which was done for the subdivision. He attended a planning board meeting last week to express those concerns however the planning board waived the public hearing, so Mr. Doering wrote a letter to the Supervisor and Town Board outlining his concerns and asking them to urge the Planning Board to hold another public hearing to give the public an opportunity to speak about the subdivision. (Letter attached to the minutes.)

Hearing no one else wishing to speak, Supervisor Meyers entertained a motion to close the Public Hearing.

Motion by Councilwoman Mullarkey, seconded by Councilman Finnegan that the Town Board of the Town of New Windsor close the Public Hearing regarding the Proposed Extension #1 to Sewer District #16, Briarwood Subdivision, at 10:07 P.M.
