RE: COVINGTON ESTATES
Route 300 (Temple Hill Road)
Town of New Windsor, Orange County

Dear Mr. Winglovitz:

The Department has reviewed the plans, latest revision date 9/6/07, for the above referenced project, and we find them to be acceptable. Please notify your client that when they have received final Planning Board approval from the Town of New Windsor, they may obtain a Highway Work Permit prior to constructing the access.

Please have them submit three sets of plans, stamped by the Planning Board, the application forms and fees necessary to obtain the permit. Please remind them that no work shall be performed within state right-of-way without the issuance of the Highway Work Permit.

If you have any questions or concerns, please call me. Thanks.

Sincerely,

Siby Mary Zachariah-Carbone
Permit Engineer, Orange County East
