APPROVAL AND RE-APPROVAL CHARGES**

Dear Mark;

As we discussed earlier today, the following is a breakdown, regarding Covington Estates, of approvals and re-approvals and dates for same:

March 8, 2006First Conditional Approval Granted

October 25, 2006.....Second Conditional Approval Granted

February 28, 2007.....First Re-approval granted w/ 2 90-day extensions

February 27, 2008.....Second Re-approval granted w/2 90-day extensions

It appears to me they have been approved twice and re-approved twice. Please ask Jerry about the charges for these approvals @ \$3200.00 each.

Thank you.
