

MEMORANDUM

TO: GEORGE J. MEYERS, SUPERVISOR
DICK MCGOEY, ENGINEER

FROM: PHIL CROTTY

DATE: FEBRUARY 15, 2005

SUBJECT: MEADOWBROOK SUBDIVISION
SEWER

Mark Edsall and I met on several matters today including the above.

Mark recommends that Supervisor Meyers sign the DEC application ^{FOR} ~~FOR~~ Meadowbrook sewer at this time -- even though the sewer district extension has not been formed.

The reason the district extension has not been formed is the pending annexation. We do not want to do the sewer district extension twice.

Signing the DEC application at this time will enable the project to move forward.

Is this okay?
