**RE: Meadowbrook Estates
Town of New Windsor
Orange County, New York**

Dear Mr. Petro;

As per our workshop this afternoon with Planning Board Engineer Mark Edsall, it was confirmed that the revised expanded EAF which was submitted December 24, 2002 was circulated to the Town of Cornwall Planning Board and the New York State Department of Transportation for their review and comment. In addition, complete preliminary subdivision design plans were also submitted at the 2/19/03 workshop and therefore we are requesting that we that a public hearing be set for the next available agenda for Meadowbrook Estates.

Should you have any additional questions please don't hesitate to contact this office.

Respectively,
New Horizon Design & Engineering Consultants, PLLC
